

U.S. Lumber, Inc. Lumber Services

OUR CAPABILITIES:

Dating back to 1974, U.S. Lumber, Inc. has developed a relationship with the federal government that spans over two decades. Our specialization lies in providing lumber, plywood, and building materials, with a profound understanding of the federal government's stringent quality control standards.

U.S. Lumber, Inc. serves as a major distributor for HDO Euroform, offering an extensive range of building materials. Distinguishing ourselves as one of the select distributors of high-density plywood and specialty lumber in South Jersey, we take pride in our products, procedures, and punctuality.

MISSION

U.S. Lumber, Inc. sets the foundation for the construction industry, providing competitively priced building materials with efficient delivery and top-notch service.

VISION

As a certified minority-owned business, women-owned business, and disadvantaged business enterprise (DBE), U.S. Lumber, Inc. strives to add value to commercial work, municipalities, school districts, and government contracting for decades to come.

TAGLINE

Our tagline, "We're FAST... We're RELIABLE... We CARE," is more than just a catchy phrase—it encapsulates the guiding principles that define how we conduct our business.
