## Mission

U.S. Lumber, Inc., sets the foundation for the lumber industry, providing competitively priced building materials with efficient delivery and top-notch service. Our commitment to excellence is not just a goal – it is a precedent we proudly uphold.

## Vision

As a certified minority-owned business, women-owned business, and disadvantaged business enterprise (DBE), U.S. Lumber, Inc., strives to add value to commercial work, municipalities, school districts, and government contracting for decades to come.

## Tagline

Our tagline, "We're FAST... We're RELIABLE... We CARE," is more than just a catchy phrase—it encapsulates the guiding principles that define how we conduct our business.

## Our Capabilities:

Established in 1974, U.S. Lumber, Inc. has a +20-year relationship with the federal government. Specializing in the provision of lumber, plywood, and building materials, we possess a deep understanding of the federal government's rigorous quality control standards. We prioritize meeting or exceeding customer's expectations, while offering fair and reasonable prices.

U.S. Lumber, Inc. maintains an expanded in-house team, complemented by seasoned construction subcontractors providing general construction, electrical, mechanical, and design-build services, with a proven record serving various federal government clients.

## General construction capabilities include:

- Electrical construction
- Mechanical construction
- Construction specialties
- Excavation
- Site work
- Lead abatement
- Concrete construction
- Demolition
- Waterproofing
- Carpentry and drywall
- Masonry and painting
- Doors and windows
- HVAC and plumbing construction
